ATHLETES SAY NO TO VIOLENCE AGAINST WOMEN

Left to right: Bruno Heppell, Chris Nilan, Georges Laraque

"There is no place for conjugal violence in our society & I have zero tolerance for anyone who is violent against their partner."

Chris Nilan

"This is an important campaign because in 2015, conjugal violence is still a prevalent problem which shows us the need for continued awareness."

Georges Laraque

"This year's conjugal violence case in the NFL shows us the severity of this problem and that it touches us all. We have all come in contact with a victim in some way or another in our lives and so we do not need to be afraid to talk about it. We need to take action"

Bruno Heppell

Former Alouettes player, sportscaster on RDS

Last year: **866 women & children** received services at our offices and shelter, over **16 000 people** were reached through presentations, activities and media programs, and volunteers gave **6218 hours**.
